MARKET-DOMINANT PRICE CHANGE

Docket No. R2022-1

**USPS NOTICE OF FILING PUBLIC LIBRARY REFERENCES**  
(April 6, 2022)

The Postal Service has filed the following library references for public use in this proceeding:

<b>USPS-LR-R2022-1-1</b>	<b>First-Class Mail Workpapers</b>
<b>USPS-LR-R2022-1-2</b>	<b>USPS Marketing Mail Workpapers</b>
<b>USPS-LR-R2022-1-3</b>	<b>Periodicals Workpapers</b>
<b>USPS-LR-R2022-1-4</b>	<b>Package Services Workpapers</b>
<b>USPS-LR-R2022-1-5</b>	<b>Special Services Workpapers</b>

These workpapers have been uploaded to the Public Library References to PRC folder on the United States Postal Service External Large File Storage SharePoint portal (USPS External LFS3).

The workpapers estimate the revenues for each class of market dominant mail resulting from the price change for purposes of the price cap calculation. Each set of workpapers has a Preface that explains the contents of the workpapers in detail. The Preface in each of the workpapers provides an overview, a discussion of any necessary adjustments to the billing determinants, and an explanation of the revenue calculations.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorney:
